It's Time ...

for answers from the ALP

With an election approaching, it is time for the ALP to give meaning to its expressions of support for the ABC by informing the public of its level of commitment.

NOW is the time to write to federal ALP politicians.

Let them know you are seeking their commitment to:

- restore ABC funding to at least its 1995/96 level in real terms and provide additional funds for the ABC to operate in the new digital media environment;
- prevent the commercialisation and privatisation of the ABC; and
- introduce a new system of appointments to the ABC Board which will ensure its members are appointed on the basis of merit and commitment to independent public broadcasting, rather than allegiance to the government of the day.

To assist you in lobbying your political representatives in the run-up to the election, a copy of the policy on the ABC which Friends of the ABC is seeking from political parties is located on the back of FABC's national newsletter.

Write NOW to your ALP Member of Parliament or federal ALP candidate. Write or send a copy of your letter to the Hon Kim Beazley MP, Leader of the Opposition, Parliament House, Canberra 2600.

'An independent ABC unites Australia'

was the message carried by FABC Vic President Lecki Ord and Friends outside the recent Centenary of Federation Commemoration sitting of the Federal Parliament in Melbourne.
